

Transition Pathway

A step-by-step guide to help and support you prepare your plans for your future

What things mean

-  **Person Centred Plan**
This is a plan that helps everyone know what YOU want for your future and helps people work together to make this happen
-  **Health Action Plan**
This is a plan that says what help you need to stay healthy
-  **Transition Plan**
This tells people what you would like to do in the future and who will help you
-  **Lead Professional**
This is the person who can make sure that everyone supporting you works together
-  **Some people who help you stay healthy**
Occupational Therapists, Speech Therapists, Physiotherapists, Paediatricians, GP's
-  **Continuing Health Care Assessment**
This helps people agree if some or all of your care will be provided by the NHS
-  **Moving On Plan**
This tells people about the help you need with learning
-  **Self Directed Support**
This helps you to live your life the way you choose
-  **Self Directed Assessment**
We will help you with this so you can tell us about your care and support needs
-  **Indicative Amount**
The information from your assessment will help Adult Services to tell you how much they think it will cost to meet your support needs
-  **Support Plan**
We can help you with this plan to decide what help you want to meet your support needs. Hampshire County Council will need to agree your plan with you
